Join HPS!

The **55th Annual Meeting of the Health Physics Society (HPS)**, and 22nd Biennial Campus Radiation Safety Officers Meeting will be held in Salt Lake City, Utah. We encourage companies, vendors and organizations to partner with HPS at what is certain to be an exciting and well attended meeting.

HPS invites you to take advantage of the great opportunity to market your latest products, technology, services and innovative equipment and literature to the 1,300 scientists, researchers, administrators, educators and policy makers we anticipate will attend. This prospectus outlines opportunities for showcasing products and services through onsite exhibits, for increasing visibility through meeting and event sponsorship, and for marketing to meeting registrants through print advertising and distribution of handouts:

Exhibitor Information

The Exhibit Hall at the Salt Palace Convention Center will house the exhibits for participating commercial, government, and non-profit entities, as well as the HPS affiliated displays featuring program information and upcoming meeting information. To promote a steady flow of attendees to the area throughout the day and to encourage attendees to visit all exhibitor booths and displays, HPS will employ the following strategies.

- A complimentary lunch will be served in the Exhibit Hall to kick off the opening of the exhibits on Monday, June 28 at Noon.
- Poster session will be held on Monday, June 28 from 1-3 PM. This time is set aside exclusively for attending poster presentations and visiting exhibits with NO schedule competition from other scientific sessions.
- Scientific posters will be on view in the Exhibit Hall with poster boards at the far end of the hall to draw attendees through the exhibits.
- Complimentary food and beverage service will be offered in the Exhibit Hall during scheduled break times. Casual seating will be available in the exhibits area to facilitate informal gatherings among attendees.
- Job Board and Resume area will be placed in the Exhibit Hall.

- Show management will provide 24 hour perimeter security in Exhibit Hall and the area will be locked between 6 PM and 8 AM each show day.
- Booth aisles will be carpeted at HPS expense.

Space Application and Assignment

Please review the floor plan on the following page and select three space choices. Complete and submit the required Reservation Form, accompanied by a minimum 50% deposit, to HPS Headquarters. (Refer to contact information on the form). HPS staff will consult with your designated exhibit contact to assign an alternate space if none of your three choices is available. Booth spaces will be assigned in the order in which requests are received and HPS will provide confirmation of space assignment as promptly as possible. HPS policies regarding cancellation of exhibit space and associated service fees appear under "Rules and Regulations" on the Reservation Form.

Facilities and Services

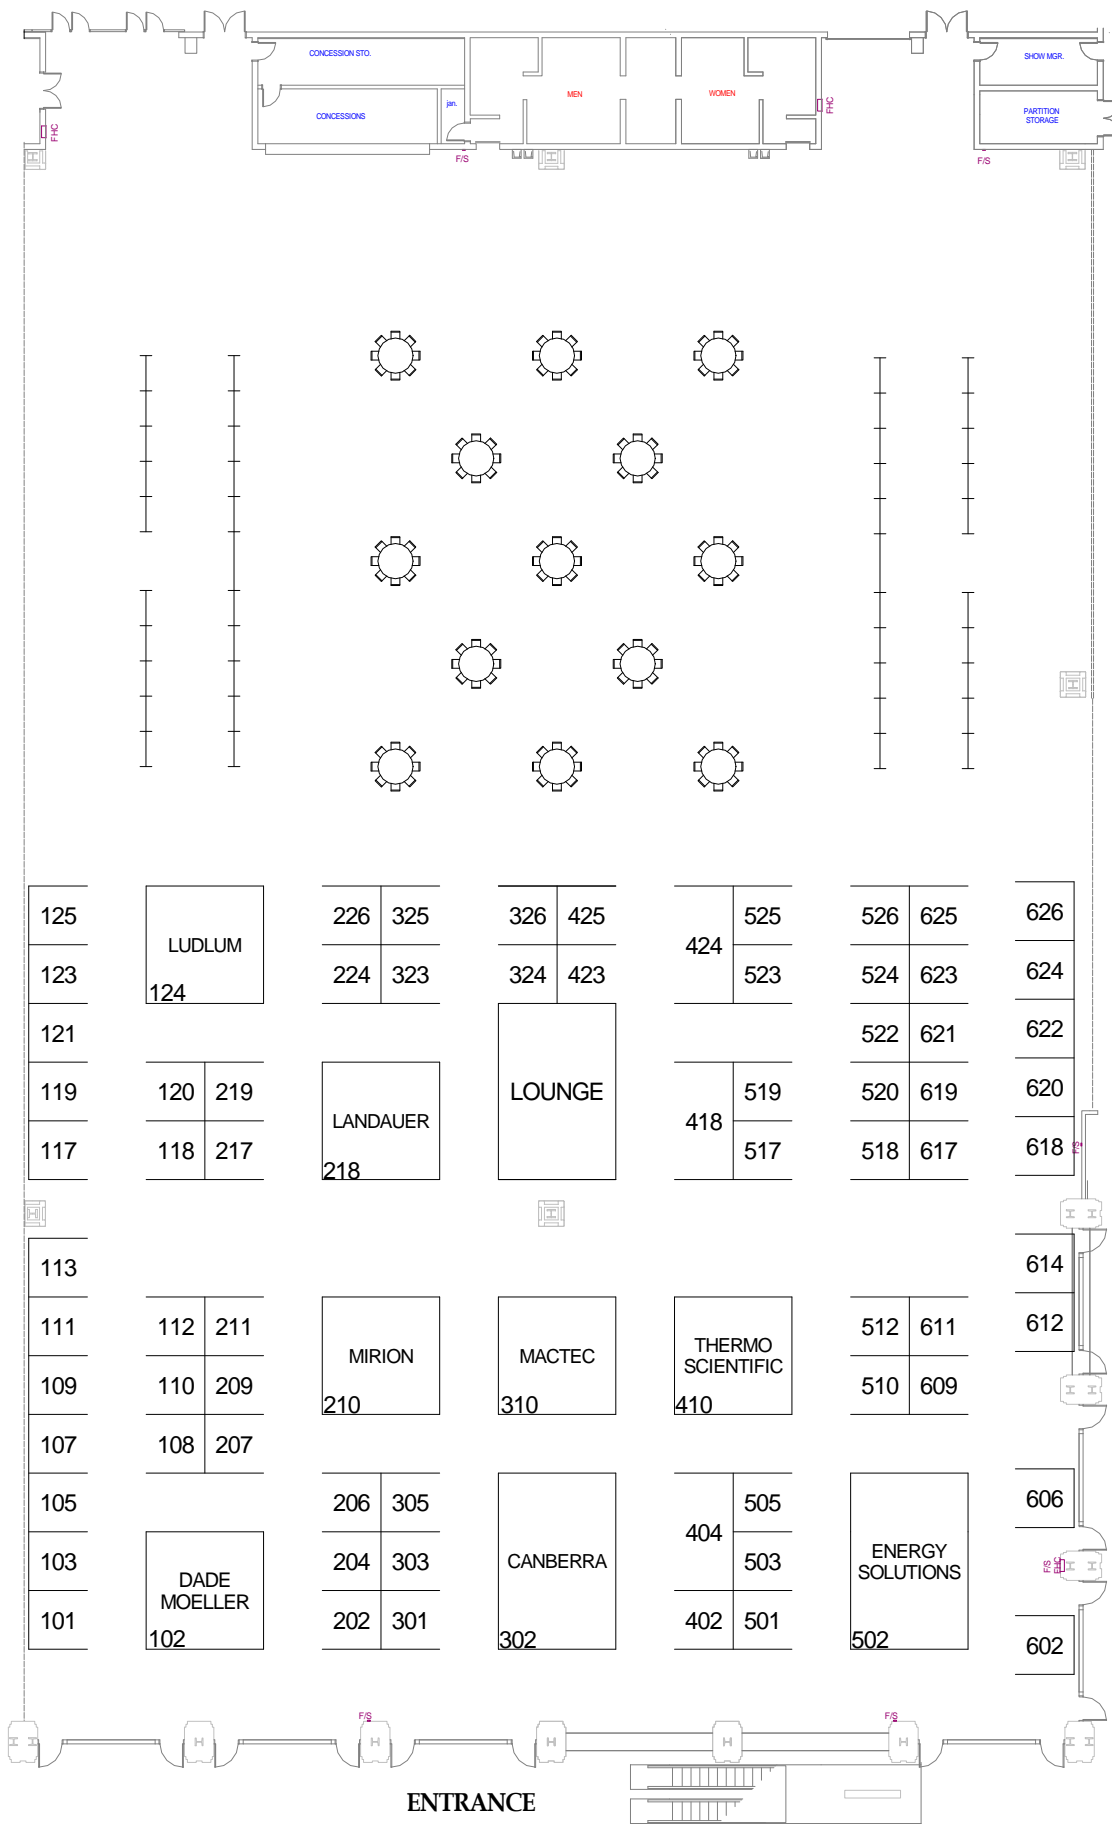

The HPS 55th Annual Meeting exhibits will be located in Hall A at the Salt Palace Convention Center (SPCC). The SPCC is a modern, multi-purpose facility located in the heart of the city's downtown.

The Exhibit Hall floor plan is designed to accommodate 110 10' x 10' booths. The configuration offers opportunities for double to quad space in each row of booths. All exhibit spaces will be directly accessible and will not be blocked in any way by the poster area.

Summit Expo of Pittsburgh, Pennsylvania, will serve as our official show decorating and drayage company. The company has an excellent reputation and long-standing professional experience as trade show managers, and has supported several previous HPS Annual and Midyear Meetings.

Approximately 30 days prior to the meeting, Summit Expo will electronically distribute a Service Kit that includes general show information, materials shipping and handling instructions, and forms for requesting optional provisions (e.g., booth furnishings, signage, business equipment) and services (e.g., labor, storage/freight, telephone service, internet access). All rented standard and upgraded decor items must be obtained through Summit Expo.

Summit Expo will maintain an on-site service desk during all published exhibit installation, show, and dismantling hours for the 55th HPS Annual Meeting. HPS assumes no responsibility for acts or omissions by Summit Expo or any outside contractor.

These hours are subject to change as dictated by program requirements.

2. Installation and Dismantling: Booths will be accessible to exhibitors for setting up displays after Noon, Sunday, June 27, 2010 and are to be ready for display by Noon, Monday, June 28. Packing and removal can begin at Noon until 6 PM, Wednesday, June 30.

3. Standard and Special Booth Equipment: Standard booth equipment consists of draperies assembled with polished aluminum attachments, backs 8' high and side rail dividers 33" high. These are included in the booth charge. A sign 7" by 44" with one line of copy for identification is furnished for the backdrop. Official Decorator is Summit Expo. A complete line of furniture, display tables, and other items is available. Official Drayage Company is Summit Expo.

All independent service companies performing work at the show site will be required to submit certificates of insurance for both workers' comprehensive and general liability insurance, at amounts established by the state of Utah. Deadline for receipt of these materials is June 1, 2010—three weeks prior to the start of the show. In addition, such contractor must submit his request in writing to the show management and list the names of all company representatives working in the exhibit area and must adhere to all exhibitor move-in and move-out hours and regulations.

4. Space assigned to an Exhibitor may be transferred by the Exhibit Manager to affect balance against congestion, to avoid confusion in firm names, to solve competitive conditions, or similar reasons. No such transfer will be made without notice to Exhibitor in writing. An Exhibitor may not share or sublet space to another party. One Exhibitor may not exhibit the named "end product" of another Exhibitor without permission of that Exhibitor and the Exhibit Manager in writing.

5. General Regulations: Loud speaking and sound displays are prohibited. The Society reserves the right to refuse any exhibit not in good taste or inconsistent with a meeting of this kind. All exhibits, backwalls and decorations will be limited to 8' in height and not extending more than 2' from the backwall except actual equipment which in normal operation exceeds this height. Permission to exhibit equipment with abnormal heights must be obtained from the Exhibit Manager.

6. Direct selling of products or services is prohibited. Tentative arrangements or negotiations on a trial period basis toward an ultimate sale may be arranged. The Exhibitor agrees that selling goods or services in the exhibition hall will result in closing the exhibit by the Exhibit Manager. It is agreed that no refund of exhibit fees and no demand for redress will be made by the Exhibitor or his representatives in this event. No soliciting for business shall be permitted in aisles or in other Exhibitors' booths. Samples, catalogs, pamphlets, publications, promotional materials may only be distributed by exhibitors strictly within the confines of their own premises. No exhibitor will be permitted to give away premium items, nor to conduct any prize drawings, awards for signing of names and addresses, or other extreme promotions without first obtaining written permission from the Exhibit Manager.

7. Photographing booths is limited to non-exhibit hours or candid shots only. Exhibitors and photographers shall not disrupt visitor traffic by clearing booths or aisles for photography during the regular conference hours.

8. All exhibit and booth materials, particularly drapes, curtains, table covers, etc. must comply with Federal, State and City Fire Laws, Insurance Underwriter and Salt Lake City, UT Safety Regulations, and must be flame-proof. All packing containers, excelsior and similar materials are to be removed from the exhibition area upon completion of the booth arrangement. The Exhibitor is restricted to materials which will pass fire inspection. Decorations of paper, pine boughs, leafy decorations or tree decorations or tree branches are prohibited. Volatile or flammable oils, gases, unprotected picture films, other explosives or flammable matter, or any substance prohibited by the City Departments or authorities, will not be permitted in the exhibition areas. Likewise, all electrical work and electrical wiring must be approved and installed in accordance

with State and Local Regulations. Smoking in exhibits is prohibited. Crowding will be restricted. Aisles and fire exits cannot be blocked by exhibits.

9. In their own best interest, and for security, Exhibitors shall keep an attendant in their booths during all exhibit hours. **No exhibit may be dismantled before the specified time, nor may any part of the exhibit or equipment be removed, once it has been set up, without permission of the Exhibit Manager.**

10. Due to the tremendous value of exhibits, it is impractical and impossible to insure Exhibitor's equipment against loss, theft, damage and breakage. Neither the Salt Palace Convention Center nor any of its employees nor representatives, nor any representative of the Health Physics Society, nor Burk and Associates, Inc., nor any subcontractor will be responsible for any injury, loss or damage to the Exhibitor, the Exhibitor's employees or property, however caused. In addition, the Exhibitor must assume responsibility for damages to the Salt Palace Convention Center property and indemnify and hold harmless the Salt Palace Convention Center from liability, which might ensue from any cause, whatsoever, including accidents or injuries to Exhibitors, their agents or employees. The Exhibitor must also assume responsibility for any accident, injury or property damage to any person viewing his exhibit where such accident, injury or property damage is caused by the negligence of the Exhibitor, his agents or employees. In view of the foregoing, Exhibitors are urged to place "extraterritorial" and other coverage on equipment and exhibits, and arrange for extended public liability insurance with their regular insurance carrier, particularly if they are conducting experiments or demonstrations using heat or high voltage.

11. The Health Physics Society and the Exhibit Manager for the meeting will cooperate fully, but cannot assume responsibility for damage to Exhibitor's property, lost shipments either coming in or going out of the premises or for moving costs. Any damage due to inadequately packed property is Exhibitor's own responsibility. If exhibit fails to arrive, Exhibitor will be, nevertheless, responsible for booth rent and no refund will be made. Exhibitors should carry insurance against such risks.

12. **Exhibitors wishing to have Hospitality Suites must reserve them through the Exhibit Manager. Such Suites cannot be open during any Meeting or Exhibit Hours and can be open after midnight only with Exhibit Manager's permission.**

13. The Exhibit Manager will attempt to assist and generally protect Exhibitors, keep them informed and will assume responsibility for its own misconduct and negligence all in good faith.

14. Rejected Displays: Unethical conduct or infraction of rules on the part of the Exhibitor or his representatives or both will subject the Exhibitor or his representatives to dismissal from the exhibit area. In which event it is agreed that no refund shall be made and further that no demand for redress will be made by the Exhibitor or his representatives.

15. Care of Building and Equipment and Safety Precautions: Exhibitors, or their agents, must not injure or deface the walls or floors of the building, the booths, or the equipment in the booths. When such damage appears, the Exhibitor is liable to the owner of the property so damaged.

16. The Exhibitor will engage at its expense, and through the Salt Palace Convention Center where the Salt Palace Convention Center so requires, all necessary labor and trade performing functions directly related to the exhibit. The exhibitor agrees that any person employed to perform such functions on a temporary basis at the Salt Palace Convention Center shall be represented by the appropriate bonafide AFL-CIO Union.

17. Cancellation: If space contracted for is canceled by an exhibitor after May 26, 2010, or if the exhibitor fails to occupy space contracted for, the Society is entitled to the full amount of the booth space charge. If the space reserved is canceled by the exhibitor between March 26 and May 26, 2010, \$550 for Class D dues will be retained by the Society and the balance refunded. If booth space is not occupied by 11:30 AM, Monday, June 28, the Society will have right to such space as it sees fit to eliminate blank spaces in the exhibit area.

18. Amendment to Rules: Any and all matters or questions not specifically covered by the preceding Rules and Regulations shall be subject solely to the discretion of the Health Physics Society.

The foregoing regulations have been formulated for the best interests of all Exhibitors; the cooperation of all exhibitors is requested.
